

**Sharon Waddell
Missouri State Director**

January 27, 2015

Welcome to all the new and returning Chapter Presidents

Beginning a new year is always exciting, making plans where will we camp this year, meeting old friends and making new ones. Many of you are enjoying the sunshine of the South. Back home in Missouri we are enjoying the sunshine, a little cooler weather, but at least no snow and ice to speak of as of now.

Thanks to all the Chapters for your 2015 Chapter roster. Some Chapters have had an increase in their membership. That is always good news.

In this mailing I am including copies of:

1. Constitution and By-Laws (these are used by every Chapter in the Good Sam Club)
2. Missouri SOP's
3. Presidents List for 2015
4. State Officers List for 2015
5. Copy of the South Region criteria for scrapbook judging.
6. Registration form for the 2015 Missouri State Samboree

Chapter Presidents please mark your calendars for the Spring State Committee meeting to be held in the Mohler Building at the Missouri State Fairgrounds in Sedalia, Missouri on Saturday May 30, 2015 at 1 p.m. This is the same building that the meeting was held last year.

The Missouri Samboree will be held September 24-27 in Sedalia, Missouri. Make plans to include this in your Chapter campouts, so we can have a large attendance. Ask a friend to join you, they do not have to be Good Sam member to attend a Samboree.

South Region Spring Circuit Samborees begin in April

Texas, April 2-5

Louisiana, April 9-12

Arkansas, April 16-19

Joe and I will be attending the Samborees and invite you to join us if possible. These 3 states supported our Samboree in September with nearly 50 rigs in attendance. It would be nice to show our appreciation by having several Missourians attend some of theirs.

Looking forward to seeing you all soon.

Happy Camping

Sharon Waddell
State Director
