If you had a Birthday or Anniversary in December, we hope you had a grand day and here's a hearty **Congratulations!!!!**

Here's a story for ya:

Florida woman stops alligator attack using a small caliber pistol

This is a story of self-control and marksmanship by a brave, cool-headed woman with only a small pistol against a fierce predator.

Here is her story in her own words:

"While out walking along the edge of a pond just outside my house in The Villages with my soon to be ex-husband discussing property settlement and other divorce issues, we were surprised by a huge 12-ft. alligator which suddenly emerged from the murky water and began charging us with its large jaws wide open. She must have been protecting her nest because she was extremely aggressive. If I had not had my little Beretta .25 caliber pistol with me, I would not be here today!"

"Just one shot to my husband's knee cap was all it took.... The 'gator got him easily and I was able to escape by just walking away at a brisk pace.

AND A
HAPPY NEW YEAR
